

RACHADA CHAIRANGSARIS (BAY)

FRONT-END WEB DEVELOPER

I am a self-taught web developer who's enthusiastic about coding and helping others and am looking for a great opportunity to put my talents to use. I am a team player with good communication skills who is flexible and ready to work with a passionate team of designers and developers. I learned how to code through hard work and dedication. Through a lot of persistence and discipline, I taught myself **HTML5**, **CSS3**, **SASS**, **Bootstrap4**, **Javascript**, **jQuery**, **MySQL**, and making **responsive design** websites using both free and paid online resources. Additionally, I went on to learn **React.js** in order to improve my coding skills and keep myself up to date with new programming technologies.
